Interests and Achievements

Computing:

Hobbies:

- Reading - particularly enjoy reading books with a strong and determined protagonist, this immerses me in a journey of a determined and resilient individual overcoming obstacles and achieving their goals in life serve as a source of inspiration and motivation.
- Basketball & Football - years of training and competition in basketball and football, I have developed teamwork, leadership, and strategic thinking skills, along with agility, coordination, and the ability to perform under pressure.
- Hiking- Completed the 2024 SNOWDON Sunrise challenge where we hiked mount Yr Wyddfa in Wales.
